Founder Message

Our commitment to excellence starts from the ground up. We secure the highest quality raw materials and ensure state-of-the-art manufacturing practices, to deliver cuttingedge products in a timely manner at the most competitive price."

- ALI HUSSAIN YAKUB

About Us

Largest stockists for industrial rubber products and transmission products in Dubai, UAE. Wide range of products available for O-rings, Transmission Couplings and other rubber products. Provide quick service, so that material is delivered to the customer on the same day or within 2 days. Competitive price compared to other suppliers.

Industries we serve

Industrial Rubber Products

We specialize in manufacturing and trading a diverse range of Industrial rubber products designed to meet the demands of critical industries. Our product portfolio includes Rubber O-Rings, Rubber Cords, Rubber Packings, Oil Seals and Rubber Mountings, meticulously crafted for durability and precision. Serving industries such as marine, oilfield, hydraulics, and gas & energy, our solutions are engineered to withstand extreme environments and ensure optimal performance. With a commitment to quality and reliability, we deliver products tailored to your specific application needs.

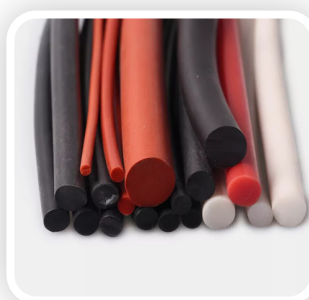

O Rings

Material

- NBR
- VITON
- SILICON

Hardness

70, 75 and 90 Shore A

Rubber Cords

Material

- NBR
- VITON
- SILICON

Hardness

70 Shore A

Rubber Packing

Types

- Sponge / Soft Rubber
- Hard Rubber

Material

- EPDM / NBR

Oil Seal

Material

- NBR
- VITON

Hardness

70 Shore A

Rubber Sheets

Rubber Washer

Rubber Bellow
